

Thank you for your interest in the position of Director of Natural Resources and Parks. The Position Specification for the Director of Natural Resources and Parks is currently under review by the King County Executive, senior staff, and a group of internal and external stakeholders. Details on the position and how to apply will be available by approximately March 1 and we encourage you to check back at that time.

If you have questions, please contact Lane Youngblood at: 206-792-4225.
